

New Green Edgebanding

ASSA ABLOY

Now available on our Thermal Fused Flush Doors

Maiman is pleased to announce the most recent stride in our ongoing commitment to expand our green manufacturing solutions by introducing our new non-PVC edgebanding option. Like our regular edgebanding, this new option offers a variety of matching colors and grains, as well as durable protection for the edges of the door.

Contact your Maiman customer service representative at (417) 862-0681 for more details.
