

Warranty Terms - CASV Systems

EXHAUSTO warrants the Chimney Automation System against functional failure due to defects in material and workmanship for a period of two (2) years from date of delivery to the construction site. Functional failure is defined as any failure of the systems components to perform its intended functions. During this period, any Chimney Automation System supplied by EXHAUSTO failing to perform its intended function will be repaired or replaced, at the manufacturer's option, following determination by a factory authorized inspector that a functional failure has occurred.

This warranty is limited to repair or replacement of the product (including, but not limited to, motor and housing) plus shipping cost to the failure location. This warranty does not cover any labor cost for removal or replacement of the defective product nor does this warranty cover any component not furnished by EXHAUSTO and installed as part of the system.

This warranty is a two-way agreement. EXHAUSTO promises to make free replacements as stated, but the user agrees that, except for our obligation to make good on this promise, EXHAUSTO shall not be responsible for any expense or inconvenience which the user might incur or experience with respect to the product, nor shall EXHAUSTO be liable for defects, damage or failures, caused by unauthorized alterations, unreasonable use, accident or abuse, or chimney fire, including failure to provide reasonable and necessary maintenance as per EXHAUSTO's instructions, after the product has been delivered. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

EXHAUSTO assumes no liability for incidental or consequential damages of any kind or for any damages resulting in whole or in part from misuse, improper installation, or inadequate maintenance of the system or any component part thereof. This warranty is in lieu of all other express warranties or guarantees of any kind. All implied warranties, including merchantability and fitness, are limited to the duration of the express warranty contained herein. EXHAUSTO neither assumes nor does it authorize any other person to assume on its behalf any other liability in connection with the sale of its product.

In addition, we promise the original user that we will replace or repair as we may elect, any parts or parts of the EXHAUSTO chimney fan which are perforated due to corrosion without charge for parts or labor (not including dismantling, installation, freight, etc.) during the first 10 years following the date of installation.
