Siding Collection

Dedicated to the development of sustainable building products.

1 **More than 30% Recycled Content** CertainTeed FiberCement contains more than 30% pre-consumer recycled material which contributes directly to LEED and NAHB project certification in the Materials and Resources and Resource Efficiency categories.

2 **Reduces Landfill Waste** By incorporating fly ash into its FiberCement formula, CertainTeed recycles this pre-consumer by-product from electric generation at coal-fired facilities, diverting over 50,000 tons from landfills each year.

3 **Forest Conservation** Most of CertainTeed's wood fiber comes from sustainably-managed forests.

4 **Raw Materials Close to Home** CertainTeed sources as many of our raw materials as possible from within 500 miles of our plants, reducing the impact of transportation and related greenhouse gases.

5 **Water Conservation** CertainTeed's manufacturing facilities recycle the water used in our plants, saving more than 1.5 billion gallons per year.

FiberCement Siding

CertainTeed ColorMax™ PreFinished FiberCement Siding

07 46 00/CER
BuyLine 8678

Sixteen perfect colors and one ideal vision: A beautiful new home.

CertainTeed ColorMax FiberCement siding is so strong and durable with a finish that resists fading, everyday bumps and harmful impacts.

We offer a stocking program of prefinished fiber cement in a variety of lap siding, decorative shapes and soffit to match virtually any design style.**

16 Designer Colors

- Color is applied over our proprietary FiberTect® sealant/primer, engineered to seal against moisture
- 15-year limited paint warranty*

* See actual warranty for details and conditions

** Contact your CertainTeed Sales Representative for availability

The CertainTeed ColorMax color palette

CertainTeed WeatherBoards™ PreFinished FiberCement Stained Siding

Express yourself. No matter how you see it, CertainTeed WeatherBoards can make it happen.

6 Premium Stains*

- The 100% acrylic latex coating protects the finish against the elements - even the sun won't cause it to crack, peel or flake
- 12-year limited coating warranty**

So if you want the beauty of wood, choose CertainTeed WeatherBoards stain siding.

* Prefinish program lead time approximately 4 - 5 weeks

** See paint manufacturer's warranty for details and conditions.

The CertainTeed WeatherBoards color palette of stains

Colors shown are representative of finished product and are as accurate as printing methods permit. Stains are intended to look like natural wood so variations in shading and hues can be expected.
