Redefining Precast Concrete

welcome to quick crete

Over the past 30 years, Quick Crete has remained a family owned and operated business. We value our customer loyalty and we like to think a lot of that loyalty comes from the way we treat people.

At Quick Crete we are committed to providing the highest standards of excellence both in product design and service.

Our extensive line of precast concrete site furnishings comes in a wide variety of colors and textures. And we can customize any of our standard products.

We do whatever it takes to meet a delivery date and our fleet of crane equipped trucks ensures safety and convenience. So that you get exactly what you need, where you need it, every time.

Precast concrete site furnishings & architectural products by Quick Crete. Built to last a lifetime... and then some.

tables

Choose among a variety of picnic, food court and cafe tables. A.D.A. accessible versions are available.

waste containers & ash urns

We've combined beauty with practicality in our huge selection of waste containers and ash urns.

planters

Thirty different styles, available in steel reinforced concrete or lite crete.

bollards

Enhance security and control traffic flow with our bollards. Select from over 90 different styles, including lighted and removable bollards.

benches

With over 70 benches, we offer a seating solution for any environment.

wall & pilaster caps

Decorative caps for almost any sized wall or pilaster.

seatwalls

Several styles in round, square, straight or curvilinear.

fountains

Choose from our wide range of styles or we can work with you on a one-of-a-kind custom fountain.

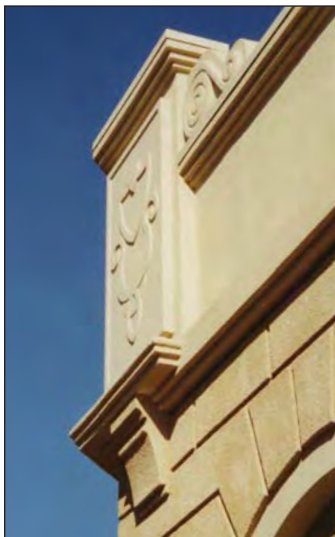

balustrade

Our comprehensive collection of balusters, caps and bases are the perfect compliment to any interior or exterior space.

perimeter security products

Our design team utilizes our vast collection of bollards and planters to secure the perimeter or entrance of any property.

architectural trim

Add the finishing touches to enhance any type of property with classic or contemporary trim and moldings.

monument signs

Our superior quality precast concrete monument signs are custom built to your exact specifications.

columns

Choose from a large selection of columns available in varying heights and styles.

custom orders

Quick Crete is able to create custom products to your specifications or modify existing models for a unique and original look without the cost of a new design. Our design staff and mold craftsmen bring a true artisans touch to every project. For cost estimates, feasibility analysis, and production time, fax a sketch of your custom requirements with dimensions and quantities and we'll respond within 48 hrs. custom fax quote line: 951/737-7032

tree grates

Two styles, round and square. Available in 36", 48", 60" and 72" sizes. Galvanized setting frames optional.

materials

SRC (Steel Reinforced Concrete)

Mixture of cement, aggregate, additives and natural color pigments reinforced with steel. Quick Crete utilizes a high quality type III cement conforming to current ASTM C-150 standard specifications. This formula produces an average compressive strength of 5000 P.S.I. in 28 days. No. 2 and No. 3 rebar rated at 80,900 P.S.I. tensile strength and wire welded mesh reinforce each product. Available in all standard colors, textures and finishes.*

Lite Crete

Mixture of cement, aggregate, additives and natural color pigments reinforced with glass fiber. 20% the weight of SRC. Available in all standard colors, textures T1, T2, T7 and all finishes.* Only available for removable bollards, columns, waste containers/ash urns, planters and architectural trim.

*** Surfaces**

Please refer to the *Design Studio Selection Guide from Quick Crete*, available from your account manager, for color/texture and finish options.

♻️ Recycled Material

To help care for our environment, Quick Crete uses recycled materials. Our standard SRC mix utilizes 21% recycled materials.

Sealer

STD - Standard Gloss Sealer

MT - Matte Sealer

delivery

Our fleet of crane-equipped trucks ensure prompt and safe delivery. Upon delivery, Quick Crete will off-load the product within a 15'-radius of the truck. Please inquire about delivery options in your area.

product guarantee

QUICK CRETE products, purchased new, are guaranteed free from defects in material and workmanship, under normal use, for a period of one year from the original date of delivery. Damage incurred from vandalism and acts of God are not covered. Replacement and repair shall be at the discretion of Quick Crete Products Corporation.
