All Glass Sliding Door Package

## Elegant Invitations with Besam's All Glass Sliding Doors

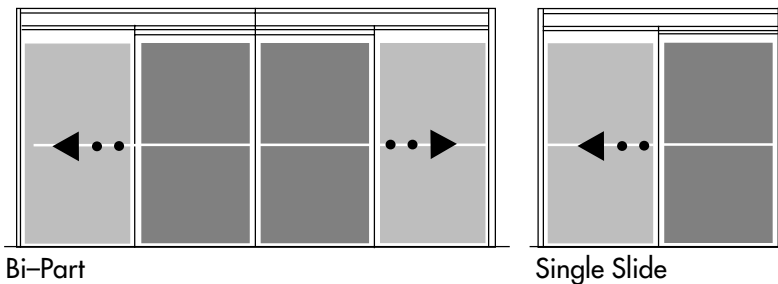

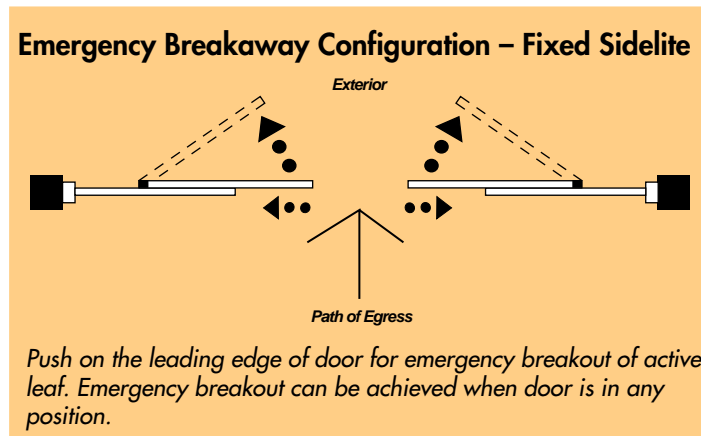

For a stylish entry way of uncompromising elegance, simplicity and accessibility, look to the Power-Glide AMD II CGL which features all glass sliding doors.

The Power-Glide AMD II system offers framed glass doors in a variety of materials and in a wide selection of finishes. Custom finishes are available to complement the most imaginative design objectives.

Designed for department stores, office buildings, restaurants, and hotels, the Power-Glide CGL is available with 1/2" (12.7mm) structural tempered glass doors that create a visually unobstructed width up to 14'0" (4.27m). Optional vertical weather stripping can be specified and installed between the glass leaves.
