

Specialty Shapes & Louver Accessories

Specialty Shapes

Architectural designs frequently include shapes other than square and rectangular. All of **Greenheck's** extruded aluminum stationary louvers are manufactured in circular, semicircular, triangular, and other custom shapes.

All are available in any size or finish required.

Greenheck is also able to manufacture louvers that are radiused in the plan view.

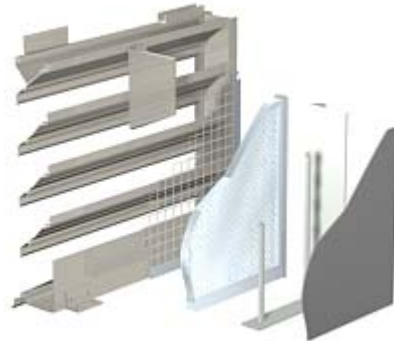

Options

- Flanged frame
- A variety of bird and insect screens
- A variety of architectural finishes including:
 - Clear anodize
 - Integral color anodize
 - Baked enamel
 - Kynar
- 0.125 inch nominal wall thickness

Accessories

Greenheck offers a complete line of accessories. Whether your project requires an insect screen or anchor clips, we have the accessories you need.

- Bird & Insect Screens
- Filters
- Extended Frames
- Hinges
